Kewaskum Area School to Host Pfizer Vaccination Clinic Saturday, May 15th 9am – 1pm for Anyone Age 12+

Campbellsport, WI –

In partnership with Oasis Healthcare, the Kewaskum School District will host a Pfizer COVID-19 vaccination clinic at i4Learning Community School this Saturday, May 15th between 9am-1pm. The clinic is free and open to anyone ages 12 and older. Pfizer is currently the only COVID-19 vaccine that has been approved for children ages 12 -17. The i4Learning Community School is located at 5760 Mohawk Rd. Campbellsport, WI 53010. Registration is encouraged by visiting <https://www.oasishealthcare.net/covid-19vaccine>. Walk-ins will also be accepted.

Residents that need transportation to a vaccine clinic in Washington County can receive a free ride to and from their appointments by calling Transit Services in Washington County.

Wheelchair accessible vehicles are available upon request. Washington County residents can schedule a ride through Shared Ride Taxi by calling (262) 338-2908.

For any questions about immunizations or scheduling your Pfizer appointment at the i4Learning Community School, please call Oasis Healthcare at 262-421-8961.

To find other vaccination options near you, visit www.vaccines.gov.
